SYNOPSIS

Marlin, an anxious and over-protective clownfish, lives in the Great Barrier Reef with his kid Nemo, who longs to explore the world beyond their anemone home. But when Nemo is captured and taken to Sydney, Marlin faces his fears and sets off on an epic adventure across the ocean. With the help of lovable characters such as optimistic Dory, laid-back sea turtle Crush, and the supportive Tank Gang, Marlin and Nemo both overcome challenges on their journey to find each other and themselves.

Highline Public Schools Land Acknowledgment

We begin by acknowledging that we are on the ancestral land stewarded since time immemorial by the Salish people of the Duwamish, Green, White, Cedar, and Upper Puyallup Rivers, many of these giving birth to the contemporary citizens of the Muckleshoot Indian Tribe. We honor and give thanks that we are able to collectively engage in this conversation on their sacred homelands about the future of teaching and caring for our sacred children and youth.
