SYNOPSIS

Join Dorothy and her loyal companion Toto as they “Follow the Yellow Brick Road” through the Land of Oz, determined to reach the Emerald City, where the great and powerful Wizard of Oz will help them get home. Of course, along the way, Dorothy encounters witches (both good and bad), Munchkins, talking trees and winged monkeys. But most importantly, she befriends three unique characters: a Scarecrow with no brain, a Tin Man with no heart, and a Lion with no “nerve.” Their journey to happiness—and self-awareness—is a glowing testament to friendship, understanding and hope in a world filled with both beauty and ugliness.

Once upon a time, in a far away swamp, there lived an ogre named Shrek. One day, Shrek finds his swamp invaded by banished fairytale misfits who have been cast off by Lord Farquaad, a tiny terror with big ambitions. When Shrek sets off with a wisecracking donkey to confront Farquaad, he's handed a task — if he rescues feisty princess Fiona, his swamp will be righted. What a journey this has been, Josephine Allys. From sword fights in She Kills Monsters, to rocking' out in Xanadu, to the joy of dancing in Newsies (twice!), to life coaching in Beetlejuice, to landing the villain in the Wizard of Oz. These are some highlights of your time with Hi-Liners but can't possibly describe the overall amazing experience. The learning. The growth. The friendships. The community. We are SO proud to watch you shine...and cackle. Can't wait for the cackle!

HIGHLINE COLLEGE LAND ACKNOWLEDGMENT

We would like to acknowledge the people whose land we are gathered on today. Present day Des Moines is located on the traditional village sites of the Muckleshoot, Puyallup and many other Coast Salish tribes who made their homes on these lands and along these waters.

Let us also acknowledge the robust Indigenous communities made up of tribal diversity that originate from around the country, and whose journeys have brought them here and to other locations by ways of forced displacement or seeking opportunities.

Today the same communities celebrate their heritage, showing resilience and tenacity that would be greatly admired by their ancestors.
